

the 1990s, the number of people in the world who are poor has increased from 1.2 billion to 1.6 billion.

There are two main reasons for this. First, the world population has increased from 5 billion to 6 billion.

Second, the number of people who are poor has increased in every country.

# CHIRINGUITO

Un chiringuito est un établissement espagnol, souvent édifié sur la plage et consacré à la vente de nourriture et de boissons. Près de Barcelone où ces établissements foisonnent, on écrit « Xiringuito » ou on dit guingeta !
